F — Floppy Disk & Flash Drive

Compare old and new ways to save digital files.

LEARN & DO

1 **Compare old vs. new**

How are floppy disks and flash drives different?

2 **Sort storage jobs**

What kinds of files can they hold?

3 **Protect your files**

Think about safe storage habits.

DRAW / LABEL

Draw a floppy disk on one side and a flash drive on the other.

TALK ABOUT IT

- How did people save files before flash drives?
- What is one safe way to protect a USB or flash drive?

Use with a parent, guardian, teacher, or other grown-up.
