H — Headphones

Learn how headphones help us listen privately and safely.

LEARN & DO

1 **Name the parts**

Band, ear cups and connection.

2 **Practice safe listening**

Keep volume at a safe level.

3 **Compare sound tools**

Headphones or speakers?

DRAW / LABEL

Draw headphones and label the parts you know.

TALK ABOUT IT

- Why should volume stay at a safe level?
- When are headphones useful for learning?

Use with a parent, guardian, teacher, or other grown-up.
